PROFESSIONAL SUMMARY

Compassionate Domiciliary Care Worker with 4+ years UK experience, plus 20+ years as a Dental Surgeon in Nigeria. Now self-taught in Python, SQL, and Flask — actively seeking a paid Health IT internship or trainee role where clinical workflow knowledge + growing technical skills add value.

KEY SKILLS

Care & Clinical:

- Person-centred care, medication prompting, safeguarding (GDPR)
- Moving & handling, personal care, meal preparation
- Record-keeping, incident reporting, risk assessment

Technical (Self-Taught):

- Python, SQL (PostgreSQL/MySQL), JavaScript, HTML/CSS
- Flask web framework (built: Carer Visit Log & Reporting Tool)
- Git, GitHub, VS Code, care documentation apps

PROFESSIONAL EXPERIENCE

Domiciliary Care Worker – S&N Flexi Agency / Florence Nursing (2021 – Present)

- Provide high-quality care across multiple client homes and care settings
- Maintain accurate care notes, medication logs, and safeguarding documentation
- Use and help troubleshoot care apps for logging visits and reporting

Domiciliary Care Team Coordinator – Alves iCare (2022 – 2023)

- Coordinated staff rotas, supervised team, ensured continuity of care
- Maintained client records, safeguarding logs, and compliance documentation
- Acted as bridge between carers, families, and healthcare professionals

Dentist – Federal Teaching Hospital, Ido-Ekiti (2006 – 2021)

- Provided clinical care, patient education, and multidisciplinary teamwork
- Developed strong documentation, observation, and decision-making skills

EDUCATION & CERTIFICATIONS

- Level 3 Diploma in Health & Social Care (Adults) – City & Guilds, London
- Bachelor of Dental Surgery (BChD) – Obafemi Awolowo University, Nigeria

Certifications: Care Certificate | First Aid & CPR | Manual Handling | Safeguarding Adults | Food Hygiene & Safety

PORTFOLIO PROJECT

Carer Visit Log & Reporting Tool – Python/Flask/SQLite web app
